*Baking a Sweet Difference
One Crumb at a Time*

2008

麥菲於2008年在香港成立，紮根香港十多年，自設逾5萬呎的廠房，致力為本地提供一站式烘焙產品批發，為客戶送上最新鮮、優質及新穎的烘焙食品，涵蓋港式、日式及西式麵包、傳統糕點及應節食品、蛋糕、曲奇、酥批類、預先包裝產品，冷凍麵糰及其他冷凍產品。

我們的客戶群包括頂級餐廳、酒店、學校、醫院、會所、熟食店、機構飯堂及連鎖餐飲公司。此外我們更會提供全面的OEM代加工生產服務，為各類客戶量身定制專屬烘焙產品，以滿足市場的多元需求。我們亦提供批發服務，使客戶能迅速獲得優質的烘焙產品，確保穩定供應。

為加強食品的安全及質量管理，我們於2017年獲得ISO國際標準認證，及由2014年起實施ERP管理系統，讓客戶可隨時追溯食品的安全質量、工序進度及物流情況，由顧客落單、生產均由我們一站式全程跟進。

於2016年更搬到全新烘焙廠房，引入重型及半自動化生產機器，配合我們專業的麵包工匠，堅持本地生產，靈活應對客戶不同需求，除了提供恆常烘焙產品作選擇，更可度身訂造各式特色產品，配合不同客戶對烘焙食品或市場的需要，讓客戶能夠獲得更具個性化的產品選擇。

Founded in 2008, Macfield has been a cornerstone of Hong Kong's bakery industry for over a decade. With our own 50,000 sq. ft. production facility, we are committed to delivering one-stop wholesale bakery solutions, offering the freshest, highest-quality, and most innovative baked goods. Our diverse product portfolio includes Hong Kong-style, Japanese, and Western bread, traditional pastries, seasonal specialties, cakes, cookies, pies, pre-packaged items, frozen dough, and other frozen products.

We proudly serve a prestigious clientele, encompassing top-tier restaurants, hotels, schools, hospitals, clubs, delis, institutional cafeterias, and chain catering companies. Beyond our standard offerings, we provide comprehensive OEM custom manufacturing services, crafting bespoke bakery products tailored to meet the unique demands of our clients and the dynamic market. Our wholesale services ensure prompt access to premium baked goods, guaranteeing consistent supply and reliability.

To uphold the highest standards of food safety and quality control, we achieved ISO international certification in 2017 and have operated with an ERP management system since 2014. This enables full traceability of product safety, production progress, and logistics—ensuring seamless oversight from order placement to delivery.

In 2016, we relocated our bakery facility, equipped with heavy-duty and semi-automated production machinery. Supported by our team of skilled artisan bakers, we remain dedicated to local manufacturing, offering the flexibility to meet diverse customer needs. In addition to our regular product range, we specialize in creating customized bakery solutions, designed to align with specific market trends or client preferences, providing personalized choices that empower our partners to stand out.

要有穩定質量的材料，才能確保穩定的麵包品質。我們會因客戶或產品的須求，選用優質材料，如日本小麥粉、法國/德國/意大利小麥粉、比利時朱古力、法國牛油，所有麵包均著重品質，有益健康，令烘焙產品的供應、價格及品質更有保證。

為進一步提升食品安全及品質，我們於2017年獲得「ISO 22000」國際標準認證，這認證確保每一個生產步驟均符合國際標準，彰顯了我們對食品安全的堅定承諾，並反映我們致力於提供安全、優質的烘焙食品。

為滿足市場的廣泛需求，我們成立R&D產品研發部門，研發新技術、新產品，每天新鮮製作更多迎合市場需求的新式麵包及烘焙產品。同時，為給予客戶對製作流程上的保證及信心，由前期的秤料、發酵、做型、以至後期的食品製作、包裝到出貨，過程中我們會透過SOP標準作業程序，記錄製作上的時間、食品重量及溫度、反覆試食、評估，通過完善的流程來優化食品品質。

我們於2025年取得全球認可的「FSSC 22000 食品安全管理體系認證」證書，成為香港少有獲得此認受的烘焙廠房之一。

Consistent quality begins with premium ingredients. We carefully select superior raw materials tailored to each product's requirements, including Japanese wheat flour, European-sourced flour (French/German/Italian), Belgian chocolate, and French butter. Our commitment to quality ingredients ensures not only exceptional taste but also nutritional value, guaranteeing reliable supply, competitive pricing, and uncompromised product excellence.

To further enhance food safety and quality standards, we obtained ISO 22000 certification in 2017. This internationally recognized standard validates that every production step meets rigorous global benchmarks, demonstrating our unwavering commitment to food safety and our dedication to delivering safe, high-quality baked goods.

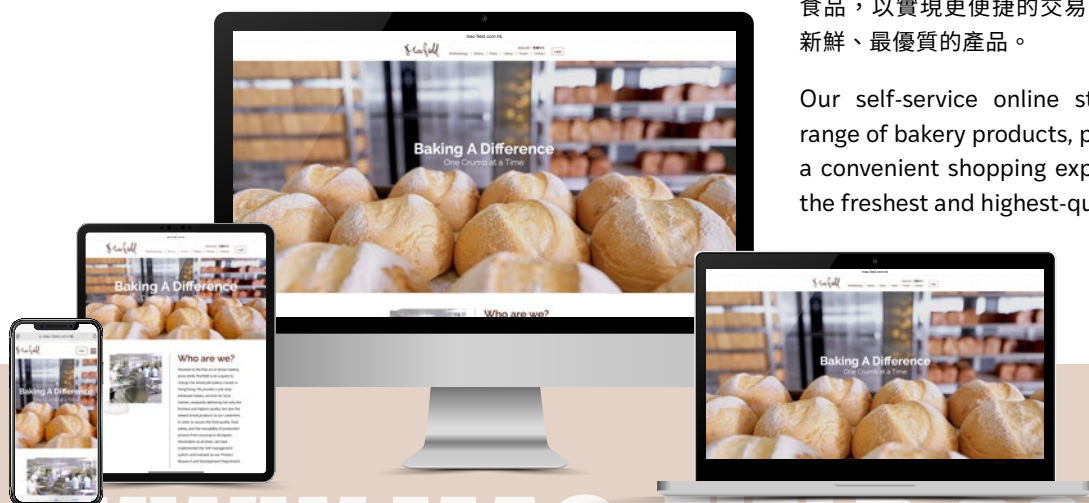

To stay ahead of evolving market demands, we established a dedicated R&D department focused on innovation in baking technology and product development. Our team creates fresh, market-responsive bakery items daily. For complete transparency and quality control, we implement Standard Operating Procedures (SOPs) throughout production—from precise ingredient measurement, fermentation, and shaping to final packaging and distribution. Each step is meticulously documented, with strict monitoring of time, weight, temperature, and thorough taste-testing evaluations to continually refine product quality.

Macfield is on track to achieve FSSC 22000 certification in 2025, solidifying our position as one of Hong Kong's few bakeries meeting this globally recognized food safety management standard.
